

TK NO. 24 CHEEK BENDER

For real production! This beefy little 24-inch two-sided cheek bender is built to last. Bench mounted, this machine comes ready for service.

Consistent bends are a certainty due to the two-way trunnion keeping bending apron in position at the origin of bend.

Adjusts for 1/4" to 7/8" bends (6.35 mm - 22.2 mm).
